Re: *Luminant Energy Company LLC v. Koch Energy Services, LLC*, No.
1:21-cv-03335-DLC (S.D.N.Y.)

Dear Judge Cote:

We represent Plaintiff Luminant Energy Company LLC in the above-captioned case. We submit this letter pursuant to Rule I.E of the Court's Individual Practices in Civil Cases to request that the Court extend the deadline for the parties to submit certain simultaneous supplemental briefing.

On April 23, 2021, Koch filed a motion to partially dismiss Luminant's complaint. (ECF No. 10.) On June 25, 2021, during a conference with counsel, the Court granted the motion as to Luminant's unjust enrichment claim, preliminarily denied the motion as to Luminant's breach-of-contract claim, and directed the parties to submit supplemental briefing on "what the [International Swaps and Derivatives Association] was trying to achieve in adopting the particular formulation" of "Interruptible" in the parties' contract by Friday, July 9, 2021. *See* Remote Conference Tr. (June 25, 2021) at 5:15-17.

We now respectfully ask that the Court grant the parties a brief extension until Monday, July 12, 2021 to provide the Court with the requested supplemental briefing. Defendant Koch Energy Services, LLC consents to this request. There have been no previous requests for extensions of time.
